

2018 Preacher School

April 27-28, 2018, at Memorial Baptist Church, Wheatland, WY, we will hold our 5th Annual “**Preacher School.**” This training opportunity is designed to help develop the preaching skills of lay leaders, potential pastors and future church planters.

This year we will have two learning tracts.

Track One is the **Basic Preaching Track** for first time attenders and will cover the following:

- Learn how to more effectively study the Bible
- Deepen your scripture interpretation skills
- Work through the nuts and bolts of building sermons from preparation to presentation

Track Two will be an **Advanced Preaching Track** for those men who attended Preacher School training in the past. This track is designed to provide leaders with additional sermon preparation and delivery skills.

Because of the generosity of the training partners and the faithful Cooperative Program giving of our Wyoming churches, the training is offered **FREE** for leaders from our WSBC Churches! Training materials, meals and a library of preaching resources will be provided at no cost.

To arrange registration and lodging, please contact the WSBMN Office (307 472-4087) by April 19, 2018. Your help in pre-registering attendees will be essential, as we will need an accurate count for the free preaching library, training materials, lodging and meals.
